THE NOVA RESEARCH CURRICULUM

Digital Thinking, Art, PE and Character

Grade 1 · Term 1

Student edition

These four subjects are mostly hands-on and off-screen. Skills are watched by the teacher; the short question banks check understanding only.

Digital Thinking (1 lesson a week, unplugged)

Outcomes: DT-1.2 sorting by one rule (Weeks 1–4), DT-1.1 step-by-step instructions (Weeks 5–12).

Lesson notes

1. **Sorting (Weeks 1–4):** children sort buttons, toys or picture cards by colour, then shape, then size, and say the rule: "I sorted by colour."
2. **Robot game (Weeks 5–8):** the teacher is a "robot" who does exactly what children say: "Step forward. Turn right." Children see that unclear steps give wrong results.
3. **Grid game (Weeks 9–12):** on a floor or paper grid, children use arrow cards (↑ ↓ ← →) to guide a partner to a target, then fix wrong steps.

Workbook: circle the odd one out (sorting rule); draw arrows to get the rabbit to the carrot on a 4×4 grid.

#	Outcome	Question	Your answer
1	DT-1.2	[red ball, red car, blue cup] Which one does not belong if we sort by colour?	red ball / red car / blue cup
2	DT-1.2	[big and small shapes] We sorted these by ...	colour / size / sound
3	DT-1.1	[grid with arrows] Where does the robot end up?	[star square] / [moon square] / [sun square]
4	DT-1.1	Instructions must be in the right order. True or false.	True / False
5	DT-1.1	[3 arrow paths] Which path reaches the carrot?	[path A] / [path B] / [path C]
6	DT-1.1	A robot can guess what you mean. True or false.	True / False

Art (2 lessons a week)

Outcomes: AR-1.2 primary colours and mixing (Weeks 1–8), AR-1.1 drawing self and family (Weeks 9–12).

Lesson notes: name red, yellow and blue; mix two on a paper plate to make orange, green and purple; paint a rainbow. Then draw yourself, your family and your home, filling the page and using colour. Display work; ask each child one thing they like about their picture.

Workbook: colour-mixing sums (red + yellow = ?); "My family" drawing page.

#	Outcome	Question	Your answer
1	AR-1.2	Red + yellow makes ...	orange / green / purple

#	Outcome	Question	Your answer
2	AR-1.2	Blue + yellow makes ...	orange / green / pink
3	AR-1.2	Red + blue makes ...	purple / brown / orange
4	AR-1.2	Red, yellow and blue are primary colours. True or false.	True / False
5	AR-1.2	Green is a primary colour. True or false.	True / False

PE and health (2 lessons a week)

Outcomes: PE-1.2 rules and turns (Weeks 1–4), PE-1.1 running, hopping, jumping (Weeks 5–8), throwing and catching (Weeks 9–12).

Lesson notes: each lesson has a warm-up, one skill taught in small steps, a game using it and a cool-down. Online: a parent watches and keeps the space clear; use a soft ball or rolled socks. Checklist in Weeks 8 and 12: runs without falling · hops on each foot · jumps with two feet · throws underarm to a target · catches with two hands.

#	Outcome	Question	Your answer
1	PE-1.2	In a game we wait for our turn. True or false.	True / False
2	PE-1.2	Someone wins the game. What do you say?	Well done! / That's not fair! / nothing
