THE NOVA RESEARCH CURRICULUM

Science and the World

Grade 1 · Term 1

Student edition

Term 1 outcomes: SC-1.1 my self and my body, SC-1.2 the five senses, SC-1.3 keeping clean and healthy. Three lessons a week. Each lesson ends with something the child does at home.

Lesson notes

SC-1.1 Describes self and names body parts (Weeks 1–4)

1. **All about me:** each child says name, age and one thing they like.
2. **Body song:** "Head, shoulders, knees and toes" (traditional), then the same in Urdu.
3. **Label:** point to and name head, eyes, ears, nose, mouth, hands, arms, legs, feet, tummy.
4. **At home:** draw yourself with a parent and name 5 parts.

Watch out: mixing up elbow and knee, wrist and ankle. Name them in pairs.

SC-1.2 Names the five senses (Weeks 5–8)

One sense a lesson, then a review week: see (eyes), hear (ears), smell (nose), taste (tongue), touch (skin).

1. **Mystery box:** feel, smell or listen to a hidden object and guess it.
2. **Match:** match each sense to its body part.
3. **Sort:** which sense tells you the stove is hot? the milk is sour? a bell is ringing?

Safety: never taste or smell unknown things without an adult.

SC-1.3 Keeps clean and healthy (Weeks 9–12)

1. **Handwashing:** wet, soap, rub for 20 seconds (sing a short song), rinse, dry. Before eating and after the toilet.
2. **Teeth:** brush twice a day, morning and night.
3. **Food:** sort pictures into "every day" foods (fruit, vegetables, roti, milk, water) and "sometimes" foods (sweets, chips, fizzy drinks).
4. **At home:** a one-week tick chart for handwashing and brushing.

Workbook pages

Page	Outcome	Activity
1	SC-1.1	"All about me": draw your face, colour your favourite colour.
2	SC-1.1	Join the word to the body part (6 parts).
3	SC-1.2	Match the sense to the body part.
4	SC-1.2	Circle the sense you use: a flower, a drum, an ice cream, a teddy, a rainbow.

Page	Outcome	Activity
5	SC-1.3	Put the handwashing pictures in order (1–5).
6	SC-1.3	Colour the "every day" foods green and the "sometimes" foods orange.
7	SC-1.3	My one-week habit chart (tick each day).

Question bank

SC-1.1

#	Question	Your answer
1	We see with our …	eyes / ears / feet
