THE NOVA RESEARCH CURRICULUM

Digital Thinking, Art, PE and Character

Grade 1 · Term 3

Student edition

Digital Thinking (unplugged)

DT-1.1 algorithms for daily tasks (washing hands, making a bed); DT-1.2 a sorting game with three groups; DT-1.3 review of online safety. Year-end check: each child gives 5 correct steps to guide a partner to a target.

#	Outcome	Question	Your answer
1	DT-1.1	To wash hands, what comes first?	dry hands / wet hands / use soap
2	DT-1.1	An algorithm is a list of steps in order. True or false.	True / False
3	DT-1.2	[fruit and toys] Sort by ...	food or not food / colour of the sky / time
4	DT-1.3	You see something online that upsets you. Who do you tell?	nobody / a trusted adult / a stranger

Art

AR-1.1 my family and home; AR-1.2 colour-mixing review; end-of-year picture for a class display (Weeks 11–12). Each child says one thing they like about their picture.

#	Question	Your answer
1	Red + yellow makes ...	orange / green / blue
2	Blue is a primary colour. True or false.	True / False

PE and health

Throwing and catching review; team games; sports-day practice and a sports day in Week 12 (running race, sack race, ball throw). Year-end checklist: runs, hops, jumps, throws, catches, balances, kicks, waits for a turn.

#	Question	Your answer
1	On sports day we cheer for everyone. True or false.	True / False
2	After running we feel thirsty. We drink ...	water / fizzy drink / nothing

Character

CH-1.1 sharing and thanking others; CH-1.2 feelings review. Each child makes a thank-you card for a school helper.

#	Outcome	Question	Your answer
1	CH-1.1	The cleaner keeps our school clean. What can we say?	nothing / thank you / go away
2	CH-1.2	[scared face] How does this child feel?	happy / scared / sleepy
3	CH-1.1	Sharing a book with a friend is kind. True or false.	True / False
