THE NOVA RESEARCH CURRICULUM

English

Grade 2 · Term 1

Student edition

Term 1 outcomes: EN-2.2 sound patterns, EN-2.1 reading sentences aloud, EN-2.4 nouns, verbs and plurals. Six lessons a week.

Lesson notes

EN-2.2 Reads words with sh, ch, th, ee, oa and silent e (Weeks 1–8)

Weeks 1–2 review all single sounds. Then one pattern every 2–3 lessons: **sh** (ship, fish) · **ch** (chip, lunch) · **th** (thin, bath) · **ee** (tree, feet) · **oa** (boat, coat) · **silent e** (cake, bike, home).

1. **Show:** two letters, one sound. Say the sound with a picture.
2. **Read:** a list of 8 words with the pattern; children read in chorus, then alone.
3. **Sort:** sort word cards by pattern.
4. **Spot the magic e (Weeks 7–8):** cap → cape, pin → pine, hop → hope.

Watch out: reading s-h as two sounds; ignoring the silent e (reading *cake* as *cak*).

EN-2.1 Reads simple sentences aloud accurately (Weeks 5–12)

1. **Model:** the teacher reads a short text with a finger under each word.
2. **Echo read:** children repeat each sentence.
3. **Paired reading:** children take turns reading a decodable text to a partner.
4. **Fluency check (Weeks 8 and 12):** each child reads a 60-word text for one minute. Record words correct per minute. Nova target: 40 words a minute with 90% of words correct.

Watched, not tested on paper.

EN-2.4 Nouns, verbs and plurals (Weeks 9–12)

1. **Naming words (nouns):** people, places, things: girl, school, pen.
2. **Doing words (verbs):** run, eat, read. Act them out.
3. **Plurals:** add -s (cat → cats); add -es after s, sh, ch, x (box → boxes).
4. **a / an:** *an* before a vowel sound (an apple, an egg).
