THE NOVA RESEARCH CURRICULUM

Science and the World

Grade 2 · Term 2

Student edition

Outcomes: SC-2.4 heat and light, SC-2.5 Pakistan on the map, villages and cities.

Lesson notes

SC-2.4 Heat and light (Weeks 1–4)

Sources of light: sun, bulb, torch, candle, fire. Sources of heat: sun, stove, fire, heater. Safety: never touch a hot stove or iron; matches only with an adult. Investigation: which cup of water stays warm longer, one wrapped in cloth or one not wrapped? Guess, watch, record.

SC-2.5 Pakistan on the map; villages and cities (Weeks 5–12)

Provinces: Punjab, Sindh, Khyber Pakhtunkhwa, Balochistan; also Islamabad Capital Territory, Gilgit-Baltistan and Azad Jammu and Kashmir. Children find their own city. Villages: farms, open land, fewer people. Cities: tall buildings, many shops, more traffic. Both need each other: villages grow food, cities make goods.

Workbook pages

Page	Outcome	Activity
1	SC-2.4	Sort pictures: gives light / gives heat / both.
2	SC-2.4	Warm-water investigation record.
3	SC-2.5	Colour the provinces; mark your city.
4	SC-2.5	Village or city? Sort 8 pictures.

Question bank

#	Outcome	Question	Your answer
