THE NOVA RESEARCH CURRICULUM

Digital Thinking, Art, PE and Character

Grade 2 · Term 3

Student edition

Digital Thinking (unplugged)

DT-2.1 debugging a dance (the teacher's steps have one mistake; children find and fix it); DT-2.2 pattern project: design a bead or tile pattern and write its instructions with "repeat"; DT-2.3 review.

#	Outcome	Question	Your answer
1	DT-2.1	Finding and fixing a mistake in steps is called ...	drawing / debugging / singing / sorting
2	DT-2.2	[red, blue, blue, red, blue, blue, ___] What comes next?	red / blue / green / yellow
3	DT-2.3	A stranger online asks for your school name. You should ...	tell them / not tell them and tell an adult / send a photo / reply later

Art

AR-2.2 talking about local crafts (pottery, embroidery, ajrak); AR-2.1 recycled collage and class display in Weeks 11–12. Each child says two sentences about their own work.

#	Question	Your answer
1	Pottery is made from ...	clay / glass / plastic / paper
2	We can say what we like about a friend's art kindly. True or false.	True / False

PE and health

PE-2.1 balance and beat review; PE-2.2 a healthy plate (half vegetables and fruit, some roti or rice, some protein such as daal, eggs or meat, and water); sports day in Week 12.

#	Outcome	Question	Your answer
1	PE-2.2	A healthy plate has lots of ...	sweets / vegetables and fruit / chips / fizzy drinks
2	PE-2.2	Daal and eggs help our body grow. True or false.	True / False
3	PE-2.1	Balancing on one foot helps our body control. True or false.	True / False

Character

CH-2.1 class duties; CH-2.2 a goal I reached this year. Each child makes a "proud of me" page.

#	Outcome	Question	Your answer
1	CH-2.2	Practising every day helps us get better. True or false.	True / False
2	CH-2.1	If I forget my duty, I should …	hide / say sorry and do it / blame others / cry
