THE NOVA RESEARCH CURRICULUM

Computing, Art, PE and Financial Literacy

Grade 3 · Term 1

Student edition

Computing and Coding (2 lessons a week, at most 20 minutes on screen each)

Outcomes: CC-3.3 using a device safely (Weeks 1–4), CC-3.1 sequences and loops in blocks (Weeks 5–8), CC-3.2 finding and fixing bugs (Weeks 9–12). Use any free block-based tool for children (for example, ScratchJr or Scratch); the school chooses one.

Lesson notes

1. **Unplugged first:** act out the program with arrow cards on the floor.
2. **Build (15 min on screen):** move a character with 4–6 blocks; then use "repeat" to shorten it; add "when clicked" to start.
3. **Debug (Weeks 9–12):** the teacher gives a program with one mistake; children predict, run, find and fix it, and say the fix in words.
4. **Safety routine every lesson:** log in, keep the password private, 20-20-20 eye break, log out.

Workbook: write the blocks in order for a path on paper; circle the bug in a printed program; a "my password rules" card.

#	Outcome	Question	Your answer
1	CC-3.1	A program is a list of ...	pictures / instructions / songs / games
2	CC-3.1	"Repeat 4 times: move 1 step" moves the character ...	1 step / 4 steps / 5 steps / 0 steps
3	CC-3.1	The order of blocks changes what the program does. True or false.	True / False
4	CC-3.1	Which block starts the program when the character is tapped?	repeat / when clicked / stop / move
5	CC-3.2	A mistake in a program is called a ...	bug / loop / block / sprite
6	CC-3.2	The character should move 3 steps but moves 2. What do we do first?	delete everything / find which block is wrong / give up / add more blocks
7	CC-3.3	You should share your password with your best friend. True or false.	True / False
8	CC-3.3	When you finish on a shared device, you should ...	leave it open / log out / turn up the volume / delete files
9	CC-3.4	Everything on the internet is true. True or false.	True / False

#	Outcome	Question	Your answer
10	CC-3.2	The character should move 3 steps and then turn, but the program says "move 2, turn". Write the fix.	_____

Art (1 lesson a week)

Outcome: AR-3.1 line, pattern and texture (Weeks 1–4 lines and pattern; Weeks 5–8 a simple Islamic geometric star built from a circle with a compass or plate; Weeks 9–12 a design inspired by a local craft such as truck art, ajrak or Multani tiles). One planned piece per term, displayed and described in two sentences.

#	Question	Your answer
1	A pattern is something that ...	is random / repeats / is one colour / is a word
2	Ajrak is a block-printed cloth from Sindh. True or false.	True / False
3	Geometric patterns are made from shapes and lines. True or false.	True / False

PE and health (2 lessons a week)

Outcomes: PE-3.1 team games and fair play (Weeks 1–8), PE-3.2 body safety rules (Weeks 9–12). Body safety uses three rules: **say no, get away, tell a trusted adult**; no secrets that make you feel unsafe. The teacher informs parents before these lessons.

#	Outcome	Question	Your answer
1	PE-3.1	Your team loses. What is fair play?	shake hands and say well played / argue / leave / blame others
2	PE-3.1	Passing the ball helps the team. True or false.	True / False
3	PE-3.2	If someone makes you feel unsafe, you should ...	keep it secret / say no, get away and tell a trusted adult / do nothing / feel bad
4	PE-3.2	You must keep every secret an adult tells you to keep. True or false.	True / False
5	PE-3.2	Name one trusted adult you can tell.	_____

Financial Literacy (1 lesson a week)

Outcomes: FL-3.1 needs and wants (Weeks 1–4), FL-3.3 money comes from work (Weeks 5–8), FL-3.2 a simple budget (Weeks 9–12). Budget task: plan how to spend Rs 500 on a school trip (food, a gift, saving) and explain choices.

#	Outcome	Question	Your answer
1	FL-3.1	Which is a need?	toy car / food / video game / sweets
2	FL-3.1	A new phone is always a need. True or false.	True / False
3	FL-3.3	Where do families get money from?	trees / work / the TV / nowhere
4	FL-3.2	You have Rs 500. You spend Rs 320. How much can you save?	Rs 280 / Rs 180 / Rs 820 / Rs 200
5	FL-3.2	Saving means keeping some money for later. True or false.	True / False
6	FL-3.1	Write one need and one want.	_____
