THE NOVA RESEARCH CURRICULUM

General Science and Social Studies

Grade 3 · Term 3

Student edition

General Science: SC-3.5 force and simple machines, SC-3.6 food groups, SC-3.7 a second fair test. Social Studies: SS-3.5 sorting out disagreements, then review of SS-3.6, SS-3.1 and SS-3.2.

General Science · lesson notes

SC-3.5 Force and simple machines (Weeks 1–4)

A force is a push or a pull; it can make things start, stop, speed up, slow down or change direction. Simple machines make work easier: lever (see-saw), pulley (well), wheel and axle (cart), inclined plane (ramp).

SC-3.6 Food groups (Weeks 5–8)

Energy foods (roti, rice), body-building foods (daal, eggs, milk, meat), protective foods (fruit, vegetables), a little fat (oil, butter), and water. Plan a balanced lunch.

SC-3.7 Second fair test (Weeks 9–10)

Question: On which surface does a toy car roll furthest: carpet, tiles or sand? Change only the surface; keep the same car, ramp and push. Measure in centimetres, record in a table, draw a bar chart, write "I found that ...".

Social Studies · lesson notes

SS-3.5 Sorting out disagreements (Weeks 1–4)

Steps: calm down → each person speaks while the other listens → say how you feel ("I feel ... when ...") → think of solutions → agree on one → ask an adult if stuck. Role-play common class disagreements. Weeks 5–10 review maps, Quaid-e-Azam and Allama Iqbal, and citizens' duties.

Workbook pages

Page	Outcome	Activity
1	SC-3.5	Push or pull? Sort 10 pictures; match machines to uses.
2	SC-3.6	My balanced lunch plate.
3–4	SC-3.7	Fair-test record sheet and bar chart.
5	SS-3.5	Comic strip: two friends solve a disagreement.

Question bank

#	Outcome	Question	Your answer
1	SC-3.5	Opening a door towards you is a ...	push / pull / lift / spin
2	SC-3.5	A see-saw is a lever. True or false.	True / False
3	SC-3.5	Which simple machine is a ramp?	pulley / inclined plane / lever / wheel
4	SC-3.5	A force can change the direction of a moving ball. True or false.	True / False
5	SC-3.6	Which is a body-building food?	sugar / daal / oil / chips
6	SC-3.6	Fruit and vegetables protect us from illness. True or false.	True / False
7	SC-3.6	Plan one balanced lunch.	_____
8	SC-3.7	In the car test, what do we change?	the car / the ramp / the surface / the push
9	SC-3.7	Why do we use the same car each time?	_____
10	SS-3.5	The first step in a disagreement is to ...	shout / calm down / walk away forever / hit
11	SS-3.5	Listening to the other person helps solve a disagreement. True or false.	True / False
12	SS-3.5	Finish: "I feel sad when ..."	_____
