THE NOVA RESEARCH CURRICULUM

English

Grade 4 · Term 1

Student edition

Outcomes: EN-4.2 main idea, details and inference; EN-4.4 present and past continuous; EN-4.1 fluency (10 minutes every lesson).

Lesson notes

EN-4.2 Main idea, details and inference (Weeks 1–4 and 9–12)

1. **Preview:** title, pictures, headings: predict the topic.
2. **Read:** a 250–350-word fiction or non-fiction text.
3. **Organise:** a main-idea table with three supporting details; for stories, a sequence chart.
4. **Infer (Weeks 9–12):** "What clues tell you how she feels?" Children quote the line that shows it.

EN-4.4 Present and past continuous (Weeks 5–8)

Present continuous: am/is/are + -ing (She is reading now). Past continuous: was/were + -ing (They were playing when it rained). Mime game: one child acts, the class describes it in the present continuous, then retells it in the past continuous.

EN-4.1 Fluency

Paired and echo reading every lesson. Checks in Weeks 6 and 12; Nova target for the year: 80 words a minute at 95% accuracy.

Workbook pages

Page	Outcome	Activity
1–3	EN-4.2	Read a text; fill a main-idea table; number events in order.
4–5	EN-4.4	Write what each person in the picture is doing; change to the past continuous.
6–7	EN-4.2	Inference: find the clue sentence for each feeling.

Question bank

Sample text: "Every morning, Bilal fed the stray cat outside his building. One day, the cat did not come. Bilal searched the street and found it stuck under a parked car, too scared to move. He lay flat on the road, spoke softly, and held out some milk. Slowly, the cat crept out."

#	Outcome	Question	Your answer
1	EN-4.2	What is the main idea?	Bilal's building / Bilal helps a frightened cat / cars on the street / milk
2	EN-4.2	Where was the cat?	on the roof / under a parked car / in a tree / inside the building

#	Outcome	Question	Your answer
