THE NOVA RESEARCH CURRICULUM

General Science and Social Studies

Grade 4 · Term 1

Student edition

General Science: SC-4.1 groups of living things, SC-4.2 food chains, SC-4.3 diseases and health. Social Studies: SS-4.1 citizenship and rights, SS-4.2 tolerance and peace, SS-4.3 continents, oceans and maps.

General Science · lesson notes

- **SC-4.1 (Weeks 1–4):** flowering and non-flowering plants; animals with and without backbones; sort 20 picture cards and make a simple classification key.
- **SC-4.2 (Weeks 5–8):** producers, consumers and decomposers; draw grass → goat → wolf; ask what happens if goats disappear.
- **SC-4.3 (Weeks 9–12):** communicable diseases (flu, typhoid, dengue, cholera) spread by air, water, food and insects; prevention: handwashing, clean water, vaccination, covering water to stop mosquitoes.

Social Studies · lesson notes

- **SS-4.1 (Weeks 1–4):** a citizen of Pakistan, a global citizen, a digital citizen; rights (education, safety) and responsibilities (obey laws, respect others).
- **SS-4.2 (Weeks 5–8):** Pakistan's religions, languages and cultures; tolerance; steps to manage conflict peacefully; common etiquettes.
- **SS-4.3 (Weeks 9–12):** seven continents and five oceans on a globe and world map; cardinal points; map elements: title, orientation, legend, scale.

▶ **Try it on NovaSchool** (open **Simulations** on your dashboard):

- **Food chain: grass, goats and wolves** — Watch how many of each living thing there are over time. Then remove the goats or the wolves and see what happens.

Workbook pages

Page	Outcome	Activity
1	SC-4.1	Sort animals with and without backbones; make a key.
2	SC-4.2	Draw two food chains from Pakistan's forests or rivers.
3	SC-4.3	Disease prevention poster for home.
4	SS-4.1	Rights and responsibilities T-chart.
5	SS-4.2	Languages of Pakistan map.
6	SS-4.3	Label continents and oceans; add a legend and scale.

Question bank

#	Outcome	Question	Your answer
1	SC-4.1	Which animal has a backbone?	worm / snail / fish / jellyfish
2	SC-4.1	Ferns have flowers. True or false.	True / False
3	SC-4.2	In grass → goat → wolf, the producer is …	grass / goat / wolf / the sun
4	SC-4.2	Decomposers break down dead plants and animals. True or false.	True / False
5	SC-4.2	What may happen to wolves if goats disappear?	_____
6	SC-4.3	Dengue is spread by …	dirty water / mosquitoes / dust / cats
7	SC-4.3	Washing hands with soap helps stop diseases. True or false.	True / False
8	SC-4.3	Give two ways to stop mosquitoes breeding.	_____
9	SS-4.1	Which is a responsibility of a citizen?	obeying the law / free toys / skipping school / littering
10	SS-4.1	A digital citizen behaves responsibly online. True or false.	True / False
11	SS-4.2	Tolerance means …	fighting / respecting people who are different / ignoring everyone / winning
12	SS-4.3	How many continents are there?	5 / 6 / 7 / 8
13	SS-4.3	Which is the largest ocean?	Atlantic / Indian / Pacific / Arctic
14	SS-4.3	A map legend explains the symbols used. True or false.	True / False
