THE NOVA RESEARCH CURRICULUM

History, Geography and Pakistan Studies

Grade 7 · Term 1

Student edition

Outcomes: HI-7.1 (part) Mughal rulers; GE-7.1 (part) climate types and natural regions; PS-7.1 (part) ideology of Pakistan, Allama Iqbal and the Quaid-e-Azam.

Lesson notes

- **HI-7.1 Mughal rulers (2 lessons a week):** Babur founded the empire after the First Battle of Panipat (1526). Humayun lost and regained the throne. Akbar: mansabdari system; Raja Todar Mal's land-revenue system. Jahangir: known for his justice. Shah Jahan: Taj Mahal (Agra), Shalimar Gardens (Lahore), Shah Jahan Mosque (Thatta). Aurangzeb: Badshahi Mosque (Lahore); Fatawa-e-Alamgiri.
- **GE-7.1 Climate (1 lesson a week):** weather (day to day) vs climate (average over about 30 years). Factors: latitude, altitude, distance from the sea, winds. Climate types: hot tropical, desert, temperate, cold and mountain. Natural regions of the world (tropical rainforest, savanna, desert, Mediterranean, taiga, tundra) with plants, animals and people.
- **PS-7.1 (1 lesson a week):** the ideology of Pakistan: a homeland where Muslims could live by Islamic values, with rights for all citizens. The Two-Nation Theory. Allama Iqbal: poet-philosopher, the 1930 Allahabad Address. Quaid-e-Azam Muhammad Ali Jinnah: leader of the Muslim League; motto "Unity, Faith, Discipline".

Workbook pages

Page	Task
1–2	Mughal timeline and ruler fact cards.
3	Map: Mughal buildings in Pakistan.
4	Climate graph of Lahore; table of natural regions.
5	Iqbal and Quaid comparison chart.
