THE NOVA RESEARCH CURRICULUM

History, Geography and Pakistan Studies

Grade 7 · Term 3

Student edition

Outcomes: HI-7.2 European trading companies; GE-7.2 minerals and energy; PS-7.1 and PS-7.2 class project; year review.

Lesson notes

- **HI-7.2 (Weeks 1–8):** the Portuguese (Vasco da Gama reached Calicut in 1498), then the Dutch, French and English. The English East India Company got its charter in 1600 and built trading posts at Surat, Madras, Bombay and Calcutta. The Battle of Plassey (1757): Robert Clive defeated Nawab Siraj-ud-Daula after Mir Jafar's betrayal. The Battle of Buxar (1764) gave the Company control of Bengal's revenue. Tipu Sultan resisted the British until his death in 1799.
- **GE-7.2 Minerals and energy (Weeks 1–8):** Khewra salt mine; Thar coal; Sui gas (found in 1952); copper and gold at Reko Diq. Energy sources: hydro (Tarbela), thermal (oil, gas, coal), nuclear (Chashma, Karachi), wind (Jhimpir), solar (Quaid-e-Azam Solar Park, Bahawalpur). Using resources wisely.
- **PS project:** the class writes a short "class charter" of rights and duties modelled on the 1973 Constitution, and links it to the ideas of Iqbal and the Quaid.
- **Year review (Weeks 9–12):** Mughal timeline to 1764; resource map of Pakistan.

Workbook pages

Page	Task
1–2	Timeline of European arrival; cause-and-effect of Plassey.
3	Resource map of Pakistan.
4	Energy-mix table: renewable or not.
5	Class charter.

Question bank

#	Outcome	Question	Your answer
1	HI-7.2	Which Europeans arrived first by sea?	English / Dutch / Portuguese / French
2	HI-7.2	The English East India Company was given its charter in ...	1498 / 1600 / 1757 / 1857
3	HI-7.2	The Battle of Plassey was fought in ...	1707 / 1757 / 1764 / 1799
4	HI-7.2	Mir Jafar's betrayal helped the British win at Plassey. True or false.	True / False

#	Outcome	Question	Your answer
5	HI-7.2	Tipu Sultan died fighting the British in …	1757 / 1764 / 1799 / 1857
6	GE-7.2	Sui is famous for …	salt / coal / natural gas / copper
7	GE-7.2	Khewra is famous for …	salt / gold / oil / marble
8	GE-7.2	Which is a renewable energy source?	coal / gas / oil / wind
9	GE-7.2	Name two ways Pakistan can use its energy more wisely.	_____
