THE NOVA RESEARCH CURRICULUM

History, Geography and Pakistan Studies

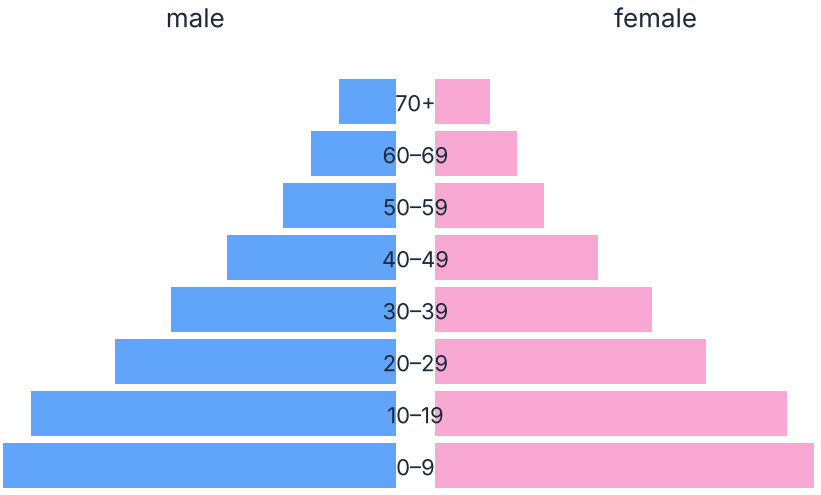

Grade 8 · Term 1

Student edition

Outcomes: HI-8.1 (part) British rule and the War of Independence of 1857; GE-8.1 population, urbanisation and migration; PS-8.1 (part) federal, provincial and local government.

Lesson notes

- **HI-8.1 (2 lessons a week):** British expansion after Buxar: Sindh annexed (1843), Punjab annexed (1849), the Doctrine of Lapse. Causes of 1857: political (annexations), economic (heavy taxes, ruined crafts), religious and social fears, military (the greased cartridges). Events: Meerut (May 1857), Delhi, Lucknow; Bahadur Shah Zafar exiled to Rangoon. Results: the East India Company's rule ended and the British Crown took over (1858); Muslims faced special suspicion and hardship, which leads to the Aligarh Movement (Term 2).
- **GE-8.1 (1 lesson a week):** Pakistan's 2023 census counted about 241 million people. Population pyramids; birth rate, death rate, growth. Urbanisation: Karachi and Lahore; pressure on housing, water and transport. Migration: push factors (few jobs, floods) and pull factors (work, schools); overseas Pakistanis and remittances. Students check the latest figures on the Pakistan Bureau of Statistics website.

Example shape: a wide base shows many young people (high birth rate).

How to read a population pyramid (example shape, not real figures).

- **PS-8.1 (1 lesson a week):** federal: President (head of state), Prime Minister (head of government), Parliament of the National Assembly and the Senate. Provincial: Governor, Chief Minister, Provincial Assembly. Local government: district and union councils. Who does what (defence, education, health, rubbish collection).
