THE NOVA RESEARCH CURRICULUM

Islamiyat and Ethics

Grade 8 · Term 1

Student edition

Recitation is taught from the printed Qur'an by a qualified Tarjuma teacher.

Outcomes: IS-8.1 (part) translation of Luqman's advice to his son (Surah Luqman 31:12–19); ET-8.1 digital ethics and integrity.

Lesson notes

- **31:12–15 (Weeks 1–4):** Allah gave Luqman wisdom: be grateful to Allah (12). Do not associate partners with Allah — shirk is a great wrong (13). Be good to parents; the mother carried the child in weakness upon weakness; be grateful to Allah and to your parents (14). If parents push you towards shirk, do not obey in that, but still treat them kindly in this world (15).
- **31:16–19 (Weeks 5–8):** even a deed the weight of a mustard seed, Allah will bring it out (16). Establish prayer, enjoin good, forbid evil, and be patient (17). Do not turn your face from people in pride or walk proudly (18). Be moderate in your walk and lower your voice (19).
- **Weeks 9–12:** review; each student makes a one-month action plan from the ten pieces of advice.
- **ET-8.1 (non-Muslim students):** digital footprint; honesty online; case studies on copying and fake profiles.
