THE NOVA RESEARCH CURRICULUM

Computing, Financial Literacy, Art and PE

Grade 5 · Term 1

Student edition

Computing and Coding (2 lessons, at most 20 minutes on screen each)

CC-5.1 variables: a score that changes (+1 for a correct answer), a timer that counts down, repeat-until loops (repeat until timer = 0). Weeks 9–12: a quiz game with a score and a timer.

#	Outcome	Question	Your answer
1	CC-5.1	A variable is ...	a picture / a named value that can change / a sound / a bug
2	CC-5.1	"Repeat until timer = 0" stops when ...	the score is 10 / the timer reaches 0 / you click / never
3	CC-5.1	The score starts at 0 and goes up by 1 three times. What is it?	1 / 2 / 3 / 4
4	CC-5.1	A quiz game should reset the score at the start. True or false.	True / False

Financial Literacy (1 lesson)

FL-5.1 what banks do: keep money safe, savings accounts, loans; interest as a reward for saving (simple idea, no formula). Discuss that some families choose Islamic banking.

#	Question	Your answer
1	Keeping money in a bank is safer than keeping it at home. True or false.	True / False
2	Name two things a bank does.	_____
3	The State Bank of Pakistan is the country's central bank. True or false.	True / False

Art (1 lesson)

AR-5.2 calligraphy: Urdu nastaliq letter shapes with a cut nib or marker (Weeks 1–4); Arabic letter shapes and a simple word such as بسم اللہ traced from a model (Weeks 5–8); a finished calligraphy design (Weeks 9–12).

#	Question	Your answer
1	Nastaliq is a common style for writing Urdu. True or false.	True / False
2	Calligraphy needs ...	speed / patience and practice / paint only / a computer

PE and health (2 lessons)

PE-5.1 personal fitness: baseline tests (30 m sprint time, skips in one minute, sit-and-reach) in Weeks 1–2; a home practice plan; retest in Weeks 11–12 and record improvement.

#	Question	Your answer
1	Recording our results helps us see progress. True or false.	True / False
2	Stretching improves …	flexibility / eyesight / memory only / hearing
