Grade 6 · Term 2

Student edition

Recitation is taught from the printed Qur'an.

Lesson notes

- **IS-6.2 Badr (Weeks 1–4):** 2 AH, in Ramadan; about 313 Muslims against about 1,000 Quraysh; the Muslims won with Allah's help. Lessons: trust in Allah (tawakkul), discipline, kindness to prisoners — some prisoners were freed for teaching Muslim children to read.
- **IS-6.2 Uhud (Weeks 5–8):** 3 AH, near Madinah. The Prophet ﷺ placed archers on a hill and told them not to leave. Many left when they thought the battle was won, and the Muslims suffered losses. Hazrat Hamza (RA) was martyred. Lesson: obedience to the leader and patience. Ar-Rahman: the Most Merciful taught the Qur'an, created people and taught them to speak; the sun, moon and stars follow His order; keep the balance and do not cheat in weighing; the repeated ayah «فَبِأَيِّ آلَاءِ رَبِّكُمَا تُكَذِّبَانِ» (“So which of the favours of your Lord will you deny?”); everything on earth will pass away and only Allah remains. Al-Mulk: all power belongs to Allah; He created death and life to test who is best in deeds; the heavens have no flaw; birds stay in the air only by Allah's power.
- **ET-6.1 and ET-6.2:** case studies (finding a lost wallet; copying homework); debate "Is it fine to share a friend's photo without asking?"
