THE NOVA RESEARCH CURRICULUM

History and Geography

Grade 6 · Term 3

Student edition

Outcomes: HI-6.3 Delhi Sultanate; GE-6.1 map skills review; GE-6.2 natural hazards project; year review.

Lesson notes

- **HI-6.3 Delhi Sultanate (Weeks 1–4):** began in 1206 CE with Qutb-ud-din Aibak. Five dynasties: Mamluk (Slave), Khilji, Tughlaq, Sayyid, Lodhi. Ended in 1526 when Babur defeated Ibrahim Lodhi at the First Battle of Panipat.
- **HI-6.3 Culture (Weeks 5–8):** the Qutb Minar; Persian as the court language; Amir Khusrau (poet and musician); growth of trade and towns.
- **GE-6.1 and GE-6.2 (Weeks 1–8):** review latitude, longitude, scale and directions; group project on one hazard in Pakistan (flood, earthquake, drought or landslide): cause, a real event, how to stay safe.
- **Year review (Weeks 9–12):** timeline from the Indus civilisation to 1526; Pakistan map test.

Workbook pages
